**Be part of the change
Consider a career in orthopaedic surgery!**

Join us for a workshop facilitated by the AOA Orthopaedic Women's Link (OWL) for medical students and doctors interested in surgery and musculoskeletal health. SA- and QLD-based female medical students and junior doctors are invited to join us on site and all interested are invited to join us via livestreaming to get a glimpse of what orthopaedics can offer.

SA Convenors

Dr Megan Cain, OWL SA State Branch rep
Dr Andrew Saies, SA Champions of Change rep

QLD Convenors

Dr Danielle Wadley, OWL QLD State Branch rep
Dr Michael Lutz, QLD Champions of Change rep
