

Student experience event

Mater Research invites current and future students to our free Student Experience Event. This event is a valuable opportunity for attendees to learn more about current and upcoming research opportunities and learn about the application process. You will hear presentations from Group Leaders, the Chair of the Mater Student Research Committee and a Mater Research Student.

Mater Research is committed to supporting the researchers of tomorrow by providing students with excellent project opportunities with outstanding supervisors. There are currently a range of research opportunities available at Mater Research for students who would be interested in undertaking a Honours, undergraduate, Masters, MPhil or PhD project starting in 2022.
